

Dear Potential Sponsor,

We are searching for financial support for our upcoming performances of \*The Nutcracker Ballet\*. Georgia Dance Theatre's production of \*The Nutcracker\* has become a cherished holiday tradition in our community, and we are committed to continuing to provide the highest level of arts presentations and arts education.

One of our core missions is to give children from our community the opportunity to perform alongside professional dancers in this beloved production, fostering a family-oriented environment that promotes the arts. We hope that we can count on your support to help us uplift our community through the transformative power of the arts.

Thanks to the generosity of sponsors like you, we have previously provided hundreds of free tickets to at-risk students, foster children, children with disabilities, and veterans for past performances of \*The Nutcracker\*. With your assistance, we would like to continue these vital efforts.

In addition to featuring a talented company of professional dancers from across the nation, Georgia Dance Theatre runs a scholarship program dedicated to supporting talented students who are deeply committed to the arts. Through this initiative, we aim to nurture the next generation of artists by providing them with the financial resources they need to thrive in their dance education and pursuits.

Georgia Dance Theatre alumni have received dance scholarships to numerous colleges and universities where they have elected to continue their education, and many go on to pursue professional careers in dance or the fine arts. Our students develop a passion and appreciation for the arts, and we are honored to be a part of such development.

Our goal is to continue to provide a professional, positive environment for the students, company, and our community. Additionally, we want to continue to enhance the arts community locally in Fayette and Coweta Counties and on a larger scale throughout Georgia. Georgia Dance Theatre has been commended by the Georgia Council of the Arts, the National Endowment for the Arts, and the Office of the Governor of the State of Georgia for consistently being ranked as one of the strongest arts organizations in the state. In addition, Georgia Dance Theatre has been commended for the professional quality of our productions, dance education, and artistic directorship.

We would be very grateful and honored for your support. All contributions are tax deductible. Attached to this letter are our varied levels of sponsorship with our appreciation. If you need or desire more information, please feel free to contact us at (770) 631-3128, email us at [info@gadance.com](mailto:info@gadance.com), or visit our website online at [www.gadance.com](http://www.gadance.com).
